COMMUNITY IMPACT OF THE YEAR

Nomination Form

This award recognises an individual, team or organisation whose drilling-related work has delivered meaningful benefits to local communities – whether socially, economically, or environmentally.

We’re looking for initiatives that go beyond business as usual. Projects that have created positive, lasting change through charitable support, partnerships, volunteering, fundraising, or other impactful contributions.

Please complete the form below to highlight a project or initiative that has made a real difference in your community or industry.

Your full name: _____

Your email address: _____

Company: _____

Project or initiative name: _____

Charity or organisation (if applicable): _____

1) Brief description of the project/initiative and who it benefited:

2) Duration and nature of involvement in the initiative:

(Indicate whether this was a one-off event, a short-term project, or part of a sustained, ongoing commitment. Highlight how long your team was involved and whether the initiative is continuing to deliver impact.)

3) Funds raised or awareness achieved:

4) Any media coverage or publicity: *(include links to social media, news outlets etc.)*

5) Testimonial or letter of thanks from a community partner (optional):

6) What lasting impact has this project made in the community or within your company?
